Got the hottest chick in the game  
Wearin' my chain, that's right

Hottest chick ever seen, she's bad  
Don't matter, won't disagree baby  
She's bad, burn it in the first degree, baby  
She's bad, no I just feel it I never need

She a bad girl, bad girl, bad girl  
Got the hottest chick in the game  
Wearin' my chain, that's right  
She a bad girl, bad girl, bad girl.

(3x)

Got the hottest chick in the game  
Wearin' my chain, that's right  
She the bad girl, bad girl, bad girl

Got the hottest chick in the game  
Wearin' my chain, that's right.

She's bad, somebody better call a law  
She's bad, to the grown man deal with dope man  
She's bad, game off the wall  
She's bad, can't touch it baby who...

She's a bad girl, bad girl, bad girl  
Got the hottest chick in the game  
Wearin' my chain, that's right  
She the bad girl, bad girl, bad girl  
Got the hottest chick in the game  
Wearin' my chain, that's right  
She the bad girl, bad girl, bad girl  
Got the hottest chick in the game  
Wearin' my chain, that's right  
She the bad girl, bad girl, bad girl  
Got the hottest chick in the game  
Wearin' my chain, that's right

Don't look, why bother?  
New question, none hotter,

New heart, new father, only dope boys in Louie Prada,  
She's a bad girl, them true ballers,  
Crew 9-11, new spuller,  
Diamond in a rough, too flawless,  
New other option but too spole em,  
She a bad girl, act like I call a back lady  
Her miss, burb miss, f\*ck all her way, she back crazy  
(She a bad girl), she cry foom,  
She don't lie foom, she will play you,  
She will break you, you will die foom,  
She gave love, it's not there, it's too late, you feel  
for,  
It's not fair, it's keen push, with rebel rose, we right  
here,  
We play the game, we ain't the same is quite clear,  
Gone, gone

Got the hottest chick in the game  
Wearin' my chain, that's right.

I know what baby do, I know what baby do  
I know what baby do, I know what baby do  
I know what baby baby baby baby  
Got the hottest chick in the game  
Wearin' my chain, that's right.

She's a bad girl, bad girl, bad girl  
Got the hottest chick in the game  
Wearin' my chain, that's right  
She the bad girl, bad girl, bad girl  
Got the hottest chick in the game  
Wearin' my chain, that's right  
She the bad girl, bad girl, bad girl  
Got the hottest chick in the game  
Wearin' my chain, that's right  
She the bad girl, bad girl, bad girl  
Got the hottest chick in the game  
Wearin' my chain, that's right
