I would give you everything, girl without no doubt,  
Mansions and diamond rings, with our whole life  
planned out,  
I'll give you the stars and moon, on a perfect night  
when I propose to you.  
Girl just say I do, and find out what I'm saying is true,  
Cause I love you, I love you yaaaa, this is for my  
babaeeee.  
I'll give you the stars and moon, on a perfect night  
when I propose to you.  
I would give you everything, girl without no doubt,  
Mansions and diamond rings, with our whole life  
planned out,

Girl just say I do, and find out what I'm saying is true,  
Cause I love you, I love you yaaa.  
I would give you everything, coming from my heart,  
Unconditional love showing you from the start,  
I'll have nothing to hide, girl I would never, leave your  
side.  
Girl just say I do, and find out what I'm saying is true,  
Cause I love you, I love you yaaaa.

Baby girl when I look into your eyes,  
You give me the feeling that just drives me wild.  
I'd be so crazy if you was in my life  
BECAUSE, remember that first night we had so much  
fun,  
I was thinking you was my #1,  
Wouldn't cheat on you, wouldn't play no games,  
Baby girl I hope our loving means the same,

I'll give you the stars and moon,  
On a perfect night when I make love to you.  
Girl just say I do, and find out what I'm saying is true,  
Cause I love you, I love you yaaa.

Girl just say I do, and find out what I'm saying is true,  
Cause I love you, I love you yaaa. This is for my  
babaeeee.
