Necessary evil

Look outside my window,
I still see a fucked up world
Waking up to helicopter and car alarms,
Does this happen where you live?
Gunshots sound in my my mind
I don't flinch anymore
When i see niggas in my hood,
They're holdin' their dicks tight

Yo, fuck my landlord
I'm a step away from clearing this shotgun
To erase the problem
Does this happen where you live?
Just had steak and lobster last night
Now i gotta rob a liquor store
But it seems so normal
Because it's necessary evil

Chorus

Car hit my dog, babies die, raped in a
Stairwell, cop killed a little girl,
Armed robbery, shooter of a drive-by,
Smokin' cain, sellin' joints in jr High
Head from a minor, sex with animals,
Butthole surfers, a fucked up rehearsal,
Lost pawn ticket, wrecked my father's car
Can't pay my school loan, major jack move,
Holy underwear
Stuck in the pen, forced in a gang, plain
Wrapped food,
Fucked up presidents, sleepin' through trash day
Hit a police car, gettin' laid off, gotta pay
Taxes, gridlock traffic,
Jealous muthafuckas, bitch tried to do me,
Hit and run,
I got a fat bitch pregnant

Necessary evil

Little white kid with a kool-aid smile
Training wheels on his bike thought the
Called me a nigga
Pushed that little bastard in traffic so graphic,
He was holdin' his bike tight
He was a victim of fucked up explaining
An american example of fucked training
When the fuckin' bus connected, he flew like knievel
I was just necessary evil

Chorus

Necessary evil
