Violent demise
Violent demise
You're goin down hard

Violent demise

Decapitated
Drowned
Assassinated
Gunned down
Stabbed in the neck
Suicide
Buried alive
Violent demise

Live your life,
You probably won't live to see 25.
Those trusted to protect you will get you.
Watch your back you still die.

Every man must die,
We walk around in this illusion called life.
You gotta go for it now there's no time,
There's no time.

Violent demise

Mutilated
Hit
Poisoned to death
Skull split

Disemboweled
Skinned
Spikes in your eyes
Violent demise
