ft. Emilio Rojas

Three blind mice. Three blind mice.
See how they run. See how they run.
They all ran after the farmer's wife,
Who cut off their tails with a carving knife,
Did you ever see such a sight in your life,
As three blind mice?

It's the return of the live niggers,
The realest back high 5 niggers
Last supper all the chosen gonna die with us
You getting head but your bitch getting high with us
Frequent fly, I'm worldwide bitch, I'm bussing through
your airways
Fuck your , if you charging for the airplay
Know I ain't a kid I ain't in the reindeer games
I pull up in that large truck
Talking style fresh out the toys r us
Been all medicinal since I'm getting them star bucks
Now niggers see me and instantly got,
You see them clouds I'm on number 9
It's callie, the smart cap with the bunch of lies
It's that , mc's trying to duck and dodge
With this copper flow I am so motherfucking high
Since I move , my whole career changed
Met a lot of these rappers hop out of their lanes
And got high bitch my buzz on octane
Sold out shows with the hoes screaming my name
I don't need your fake love or your invitations
Just tell the promoter to have my bottle waiting
Give me my money up front, jeweler take the payment
Better get it while it's , before I get famous
We was starting to listen the nigger,
Now these tracks I used to beg rappers just to spit on
Too much traffic on my dick, here's the exit, get off
Now it's rose and down to earth women
, tried to tell them but these niggers just couldn't get it
Now they wonder how this small town nigger did it
The top I got my sights on, but the sky feel like I'm on
my way home

Leaning on the window by the days off
It's all work, no play, no days off

Cause I'm a motherfucking leader,
I turn them haters to believers
If you blind come and follow, come and follow me

,you try to make me mad, now ,
I'm trying to make you feel important,
If I try , I can't do it though
I had stupid flow since I was a ,
Now it's Nirvana whenever you hear the music,
And I can't help but laugh cause there's a truth in all
She like it but she fuck me more
I'm in your house and I'm standing on your couch like
the fucking floor
Shut the door, I'm trying to have some privacy,
If you finding me offensive then it's fine with me
Pissing people off now is all that inspires me
, motherfuckers pay attention to the details
,

Cause I'm a motherfucking leader,
I turn them haters to believers
If you blind come and follow, come and follow me.
