I've been thinking about you, my love
And all the crazy things
that you put me through
Now I'm coming around,
Throwing it back to you
Were you thinking of me
when you kissed him
Could you taste me
when you licked his skin
All the while I showered you
with trust and promises

What I'm needing now is some sweet revenge
To get back all that I lost then
I gave you all I had to give,
but I could never reach you

Adrienne, I thought I knew you
Once again, you used me,
used me
Adrienne, I should have left you
Long before you used me,
Used me up

Spent my money, drove my car
I treated you like a shining star
But in my sky all burnt out you are
And I'll have the last laugh,
when I see you walking with
some other guy
'Cause I know you're gone end up all alone
So take these words, some good advice
All you've done gonna
come back twice
You never cared
how much it hurt,
I really need to tell you

Adrienne, I thought I knew you
Once again, you used me,
used me

Adrienne, I should have left you
Long before you used me,
Used me up

What I'm needing now's some sweet revenge
To get back all that I lost then
I gave you all that I had to give,
but I could never reach you

Adrienne, I thought I knew you
Once again, you used me,
used me
Adrienne, I should have left you
Long before you used me, Used me up
Adrienne
