You left me with goodbye and open arms  
A cut so deep I don't deserve  
You were always invincible in my eyes  
The only thing against us now is time

Could it be any harder to say goodbye  
and without you  
Could it be any harder  
to watch you go, to face what's true  
If I only had one more day

I lie down and blind myself with laughter  
A quick fix of hope is what I'm needing  
And now I wish that I could turn back the hours  
But I know I just don't have the power

Could it be any harder  
to say goodbye and without you  
Could it be any harder  
to watch you go, to face what's true  
If I only had one more day

I'd jump at the chance  
We'd drink and we'd dance  
And I'd listen close to your every word  
As if it's your last,  
I know it's your last  
'Cause today, oh, you're gone

Could it be any harder  
Could it be any harder  
Could it be any harder  
to live my life without you  
Could it be any harder, I'm all alone,  
I'm all alone

Like sand on my feet  
The smell of sweet perfume  
You stick to me forever, baby  
I wish you didn't go  
I wish you didn't go

I wish you didn't go away  
To touch you again  
With life in your hands

It couldn't be any harderâ€¦!
