If I give up on you I give up on me
If we fight what's true, will we ever be
Even God himself, and the faith I knew
Shouldn't hold me back, shouldn't keep me from you

CHORUS

Tease me, by holding out your hand
Then leave me, or take me as I am
And live our lives, stigmatized

I can feel the blood rushing through my veins
When I hear your voice, driving me insane
Hour after hour day after day
Every lonely night that I sit and pray

CHORUS

We live our lives on different sides
But we keep together you and I
Just live our lives, stigmatized

We'll live our lives, we'll take the punches every day
We'll live our lives I know we're gonna find our way

I believe in you
Even if no one understands
I believe in you, and I don't really give a damn
If we're stigmatized
We live our lives on different sides
But we keep together you and I
We live our lives on different sides,

We're gonna live our lives
Gotta live our lives
We're gonna live our lives
We're gonna live our lives, Gonna live our lives,
Stigmatized

I wrote you a letter
To say my last goodbye
I just, think it's time for me to go away,

The sun it seems to sink now, and my love into a grave,
This life is not yet over, it doesn't need to be saved
The chambers in my heart, they echo all the same
im A solitaire man, who drives himself insane,
When I'll come back to smile once again
I'll try, I'll try till I die, to make you understand
My love, to make you understand

Cause we're stigmatized, owyeah
Cause we're stigmatized..tized..tized..tized yeah yeah
yeah
