Well I'm, I'm Mr. Lonely
I'm Mr. Caught up in between
Well you, my only sunshine
My good and bad times
It isn't fair
Yeah, I'm in love
and I'm at war
Inside my head I'm just not quite sure
I'm not quite sure yet

Chorus:
Is this the one?
One that I've been waiting for all my life
Could this be the one?
One that I've been looking for all my life
Could this be the one?

Black smoke pours out your lips
And I breathe it in
I breathe you in
My beautiful girl,
My beautiful sin
Who's gonna win your heart,
I've gotta know
I need to know, yeah

Is this the one?
One that I've been waiting for all my life
Could this be the one?
One that I've been looking for all my life
Could this be the one?

That I've been waiting for, yeah

I'm, I'm Mr. Lonely
I'm Mr. Caught up in between

Is this the one?
One that I've been waiting for all my life
Could this be the one?
One that I've been looking for all my life

Could this be the one?

Could you be the one?

Could I be the one for all my life? Yeah...

Oh, yeah

Could this be the one?
