I came to tell you  
How it all began  
Nothing seems to work out right  
I'm broken down again

So hold me now  
And say its not forever  
Cause maybe someday, in time  
Things will go my way

I've pushed to get through  
A crowd of twisted souls  
Just to find I'm right back here  
Doing what I'm told

So take my hand  
Don't let me surrender  
Cause maybe someday, in time  
Things will go my way  
Things will go myway  
Things will go my way

For all the lies I've tasted  
Just loooking for the truth  
For all the dreams I'm chasing  
Well what am I to do  
When everything's against me  
And the answers are all wrong  
I'm hopin' that I find out  
It was worth it all along

So hold me now  
And say it's not forever  
Cause I know someday, in time  
Things will go my way  
Things will go my way  
Things will go my way

For all the lies I've tasted  
Just looking for the truth  
For all the dreams I'm chasing

What am I to do  
When everything against me  
The answers are all wrong  
I'm hoping that I'll find out

Things will go my way  
Things will go my way
