so lately been wanderin will u be there to take my place  
when i'm gone  
you'll need love to light the shadows on your face if we  
pray the we shall  
fall then he'll fall upon us all between the sand and  
stone could you make  
it on your own

~chorus~

if i could then i would i'm goin wherever you will go way  
up high or down  
low i'm goin wherever you will go

and maybe i'll find out a wya to make back someday to  
watch you to guide  
you through the darkest of your days if we pray that we  
shall fall he'll fall  
upon us all then hope theres someone out there who  
can bring me back to  
you

if i could then i would i'm goin wherever you will go way  
up high or down  
low run away with my heart run away with my home run  
away with my  
love

i know now just quite now my life nad my love might  
still go on in your heart  
in your mind i'll stay with you for all of time

if i could then i would i'm goin wherever you will go way  
up high or down low  
i'm goin wherever you will go

if i could turn back time i'm goin wherever you will go if  
i could make you  
mine i'm goin wherever you will go (2x
