Paranoid, your heart is changing makes me someone
I don't want to be. paranoid your voice is breaking, and
every word sounds like a lie to me. you asked me if I'm
alright
I see the love in your smile I want to change but I don't
know
how to feel anything less than jealousy tricking me
getting
the best of me, I'm weak and I don't how to be anything
more its honestly killing me loving is slowing me I'm
weak
from the fear I cant avoid I'm paranoid. paranoid the
seas are
are open you put your life out on the floor, paranoid are
trust is broken and your the innocent in the world you
ask me if I'm alright I see the love in your smile I wanna
change but I
don't know how to feel anything less than jealousy
tricking me getting the best of me I'm weak and
I don't know how to be anything more
its honestly killing me loving is slowing me
I'm weak from the fear I cant avoid
I'm paranoid
every were that I run every corner I turn its chasing me
, but the walls I put up all the
barriers of love they only keep you away from me
