Beautiful, beautiful bomb made of dynamite

She's looking like a lover
And you know that she has got it all for free
Got her blonde hair down to her apple bomb
And her body's made of TNT
I'm gonna give it a shot!
I wanna see all that she's got!

Beautiful, beautiful bomb made of dynamite
Such a beautiful bomb gonna blow me away tonight
Baby she's all I need
Made of a third degree
Such a beautiful beautiful bomb !

Get ready for a rocker
Yeah I'm gonna make her fire really crack
Got my teeth right on her bikini-strap
Have you ever seen a booby trap?

I'm gonna give it a shot
I see it all and she looks hot

Beautiful, beautiful bomb made of dynamite
such a Beautiful bomb gonna blow me away tonight
Baby she's all I need
Made of a third degree
Beautiful Beautiful Bomb

She is a beauty
A lot of booty
And I like it
A lot, a lot, a lot!

Beautiful Bomb gonna blow me away tonight
Baby she's all I need

Made of a third degree

Beautiful, beautiful Bomb made of dynamite (yeaaah!!)
Beautiful bomb gonna blow me away tonight (beautiful, beautiful)
Baby she's all I need (she's all I need yeah)
Made of a third degree (wow)
Beautiful, beautiful bomb
