She make me feel like a virgin livin' dirty dreams

She had the legs and flexibility,
she had a style of her own
She knew the tricks, she had ability
to pass her knowledge on
Oh baby, and the joy that we took
when she taught me the ballet in bed
Baby how we danced the night away

She made me feel like a virgin livin' dirty dreams

(D-d-dirty dreams)

Just like a boy in his dreams fulfilling fantasies

(D-d-dirty dreams)

Like a naughty boy in his d-d-dirty dreams

She made me feel like a virgin livin' dirty dreams

Dirty dreams

She made me feel like I was innocent,
she never gave me a choice
She had the age she had experience,
and she made me her toy
Oh baby, and the joy that I took
when she taught me the twist of her tongue
Oh baby how she used to turn me on

She made me feel like a virgin livin' dirty dreams

(D-d-dirty dreams)

Just like a boy in his dreams fulfilling fantasies

(D-d-dirty dreams)

Like a naughty boy in his d-d-dirty dreams

She made me feel like a virgin livin' dirty dreams

Dirty dreams
