Fever, it's burning me like fire,  
I'm sick from my desire, I feel like I'm gonna die,  
Feeling, it's growing inside of me,  
Call the paramedic, my temperature is getting high!

People, we've got a critical situation,  
(Nurse, over here!!),  
Think I need your sweet medication!

FEEL MY HEAT!  
Hot for doctor stethoscope,  
I don't need your antidote!  
FEEL MY HEAT!  
Doctor doctor gimme love,  
Don't forget your rubber glove!

Heartbeat... can you feel it baby?

Call me, an ambulance I'm able,  
I'm crazy I'm unstable, I'm ready I'm willing!

People this is a critical situation!  
(Hey, we need some sedatives over here),  
Think I need some more of medication!

FEEL MY HEAT!  
Hot for doctor stethoscope,  
I don't need your antidote!  
FEEL MY HEAT!  
Doctor doctor gimme love,  
Don't forget your rubber glove!  
FEEL MY HEAT!  
Can you feel it, cause I can feel it!

FEEL MY HEAT!  
FEEL MY HEAT!

(Hey where are you going, we need some sedatives over here),

FEEL MY HEAT!

Hot for doctor stethoscope,

I don't need your antidote!

FEEL MY HEAT!

Doctor doctor gimme love,

Don't forget your rubber glove!

FEEL MY HEAT!

Can you feel it, cause I can feel it!

FEEL MY HEAT!

Doctor doctor gimme love,

Love love love love
