Chorus

It's getting hot, hot hotter than

It's getting hot, so hot

Yeah It's getting hot Hot hotter than hell

Yeah It's getting hot Hot hotter than hell

Yeah It's getting hot Hot hotter than hell

It's a time of year I got my toes in sand and the sun is here

Got a drink in my hand,

and the future's clear I'm goin' crazy from the heat,

heat is messin', my head is messin'

Chorus

Chorus

It's getting hot, hot hotter than

It's getting hot, so hot

Yeah It's getting hot Hot hotter than hell

Yeah It's getting hot Hot hotter than hell

Yeah It's getting hot Hot hotter than hell

Well i'm goin' blind, cause I got no shades

I can't close my eyes because of that babe

Running on the beach and baby when she hits on ...

Whoa! Penis sign for my sunrise

You don't know, you don't know

Yeah you don't You don't know What's up if you have ...

See this girl she will heat up the room I know,

she's hot, she's hot like California

Chorus

It's getting hot, hot hotter than

It's getting hot, so hot

Yeah It's getting hot Hot hotter than hell

Yeah It's getting hot Hot hotter than hell

Yeah It's getting hot Hot hotter than hell

You can feel it growing up in your pants,
Have a perfect bomb, and a perfect tan line
Gonna lose my mind now sex is getting navy
In bikini, smoking and sinning

Chorus

It's getting hot, hot hotter than
It's getting hot, so hot
Yeah It's getting hot Hot hotter than hell
Yeah It's getting hot Hot hotter than hell
Yeah It's getting hot Hot hotter than hell
