Listen up closer, can you hear that sound
Turn up it louder, can you hear it now
Oh no, I bet you know what it is
The sound of our loving on the radio
Pouring from the speakers in stereo, oh oh
Here we go

Baby it's out there for the world to hear
Even my neighbor said it's loud and clear
But baby we ain't ashamed
We're gonna stay untamed

Yeah we're on
On the radio oh oh
Girl we're on
On the radio oh oh
And the love that we share
We share it everywhere
And now we're on the air
I said oh, on the radio

The message in my telephone is from your dad
I don't wanna read it cause I know it's mad
Oh no, he heard our show

People don't worry what your kids have heard
I say it's better, let the children learn
This is the sound of fun
B-b-b-better on the rerun

On
On the radio oh oh
Girl we're on
On the radio oh oh
And the love that we share
We share it everywhere

And now we're on the air
I said oh

She's takin' over my mic
1 69 point oh my god!

Yeah we're on
On the radio oh oh
On
On the radio oh oh
Girl we're on
On the radio oh oh
And the love that we share
We share it everywhere
And now we're on the air
I said oh, on the radio
