The neon lights are shining blue,
Shivers of red running through,
Serenity surrounding her steps as she walks,
Back to you,

Heat of the night keeps callin' her,
She's better than you or I deserve,
The entertainer of rich lookin' cheap in her tight,
Little skirt,

Breakin' her back she's working night n' day, (night n' day),
Saving her secret for no one,

Livin' on a romance,
Baby coz' it keeps her alive,
Livin' on a romance....

So many times she has been abused,
The little hands and the broken shoes,
Her heart is aching inside but her smile is still there,
Staying true,

Breakin' her back she's working night n' day, (night n' day),
Baby there's nothing you can do,

Livin' on a romance,
Baby coz' it keeps her alive,
Givin' on a romance....

I believe that this was inevitable,
Because I know she wants to get high,
On lo-ove,

Romance,
Ba-by coz' it keeps her alive,
Givin' on a romance....
Romance,

Romance.
