Move away and let yourself to breathe again
Move away and you can feel the different taste
Nothing's the same

And I can't wait for your loving
I wanna bury the hatred
I am sorry

(Sex)

Sex that seals, our license to love
Sex will heal, and the rage is all gone
Save your tears tonight

Turn around and we can start to go about
Turn around just tell me where and when and how
And I'll make that sound

And I can't wait for your body
I wanna bury all the hatred
Yeah I'm sorry

(Sex)

Sex that seals, our license to love
Sex will heal, when the rage is all gone
Save your tears tonight

And I can't wait 'till I hear it
I can almost feel it
I can see it

(Sex)

Sex that seals, our license to love
Sex will heal, when the rage is all gone
Save your tears tonight

(Sex)

Sex that seals our, license to love

Sex will heal, when the rage is all gone
Save your tears tonight
