Take my life,
Take my life!
I can't do this alone.
Every time I try, I fail,
Giving into what I don't condone.
My life is yours. help me prevail.
Always giving in, to my ignorance,
I know it's time to make a change,
But I can't do this alone,
Every time I try, I fail.
Why I've walked away again.
I do not understand.
What about this commitment do I not comprehend?
You gave me your hand
And you gave you heart.
I push one away and tear the other apart.

Well was I made for this,
Am I too weak for this?
I need your strength to carry on.
Do I believe in this or am I a hypocrite?
I need your strength to carry on.
