I gave my all to you
And you made it easy to fall in love
I fell in love with someone you pretended to be
Was too blind when I was with him, now I see, so

Don't you come back runnin'
Now my heart is achin'
I cannot find a reason to love you now

And don't you come back cryin'
Now that love is dyin'
I cannot find a reason to love you now
How can I love you now, now, now?

I thought my life was over
And I thought I'd never get over it
All the tears I cried were filled with so much pain
Tomorrow promises the pain will fade away, so

Don't you come back runnin'
Now my heart is achin'
I cannot find a reason to love you now

And don't you come back cryin'
Now that love is dyin'
I cannot find a reason to love you now
How can I love you now?

Now, it was just a game to you
What you put me through
Will come right back to you someday
Don't think I'm wishin' bad on you
Now that I know you were only here to play
Don't you ever think you have a chance again
'Cause I deserve so much more, so don't

Don't you come back runnin'
Now my heart is achin'
I cannot find a reason to love you now

And don't you come back cryin'
Now that love is dyin'

I cannot find a reason to love you now
Don't you come

Don't you come back cryin'
Now my heart is achin'
I cannot find a reason to love you now

And don't you come back cryin'
Now that love is dyin'
I cannot find a reason to love you now
