Don't be mad , no

Don't be mad at me, I ain't trying to have your man
He be watching me
You're just jealous 'cause you can't make him turn
away
But I can't help it
I'm just doing my thang, doing my thang

Your man, tell you he's so in love
Swear you're the only one, just can't get enough of
your loving
But he be paging me but you too blind to see
And now you roll your eyes at me cause I stay on his
mind

Don't be mad at me, I ain't trying to have your man
He be watching me
You're just jealous 'cause you can't make him turn
away
But I can't help it
I'm just doing my thang, doing my thang

Your man, he living in a fantasy, thinking he can get
with me
And you just can't believe I don't want him, no, no
But I could not pursue something that belongs to you
So if you wanna play the fool, girl, that's cool I don't
mind

Don't be mad at me, I ain't trying to have your man
He be watching me
You're just jealous 'cause you can't make him turn
away
But I can't help it
I'm just doing my thang, doing my thang

Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah

Don't be mad at me, I ain't trying to have your man

He be watching me
You're just jealous 'cause you can't make him turn
away
But I can't help it
I'm just doing my thang, doing my thang

He said with you is where he wants to stay
But to me, he says the very same thing
Don't be mad, I don't want him anyway
I'm doing my thang, just doing my thang

Don't be mad at me, I ain't trying to have your man
He be watching me
You're just jealous 'cause you can't make him turn
away
But I can't help it
I'm just doing my thang, doing my thang
