Baby i know
You're ready for love
You gotta be patient with me
For me
Cos u're not burst
I want it to be
Jus like a dream baby
So you know why i've been taking my time
Do you think about the rest of my life
And yes i wanna spend it with you
Hope that u're feeling baby
The same way too
So don't break my heart
If you do i'll cry forever
Cos there's no way i could ever get over you
Not in my life
My lifetime
Baby there's no
No greater feeling
Greater than being with you
Me and you
Baby i burst
Forever sink
A drop of your love
Your love
Now hope that i'm not wasting my time
I've got better things to do in my life
So i hope that love to grow old with me
Cos there's the only the only way
We can be
So don't break my heart
If you do i'll cry forever
Cos there's no way i could ever get over you
Not in my life
My lifetime
Don't break my heart
If you do i'll cry forever
Cos there's no way i could ever get over you
Not in my life
In my lifetime
Promise me you'll watch over me
Oh jus promise me you're right here and right now

You know my little heart breaks so easily
So baby don't leave me don't leave me
Don't leave me now
Don't break my heart
If you do i'll cry forever
Cos there's no way i could ever get over you
Not in my life
In my lifetime
Don't break my heart
If you do i'll cry forever
Cos there's no way i could ever get over you
Not in my lifetime
My lifetime
