Uh...

[Yeah, don't matter, just don't fight it]

Ooh...

[Huh, huh, don't matter, just don't fight it]

Yeah...

[Yeah, don't matter, just don't fight it]

Yeah...

[Huh, huh, don't matter, just don't fight it]

I've been in need of some affection
How did I end up in your direction
You're still friends with my ex-boyfriend
I don't know if I was wrong to pretend

That I never thought of me and you as gettin' it on
Just so happens that I'm still all alone
Know that I've turned you down before
But I won't turn you down no more, baby

If you check me out, you can let me know
I'm not gonna fight it if my heart says so
If you wanna put it down, baby, you should know
I'm not gonna fight it no more (No, no, no, no)

If you check me out, you can let me know
I'm not gonna fight it if my heart says so
If you wanna put it down, baby, you should know
I'm not gonna fight it no more

I've been thinkin' 'bout your attention
Ever since the day you began to mention
That you wanted me, oh, so very long
Never really knew you were feelin' that strong

It could be confusion with you and your boy
Far as I'm concerned, I ain't there no more
My love it's been enough time
When I can't get you off my mind, my mind, my mind

If you check me out, you can let me know
I'm not gonna fight it if my heart says so
If you wanna put it down, baby, you should know

Iâ€™m not gonna fight it no more

If you check me out (Check me out), you can let me know

Iâ€™m not gonna fight it if my heart says so
If you wanna put it down, baby, you should know

I ainâ€™t gonna fight it no more

I never thought it would ever be real
Canâ€™t stop thinkinâ€™ â€™bout the way I feel, boy
Never thought of it as right before
But I canâ€™t let him keep me unhappy no more

Didnâ€™t think it would happen to me
Making a decision over history
Is it wrong to be into you, what am I supposed to do
And heâ€™s not thinkinâ€™ â€™bout me, baby

[Yeah, donâ€™t matter, just donâ€™t fight it]
[Huh, huh, donâ€™t matter, just donâ€™t fight it]
[Yeah, donâ€™t matter, just donâ€™t fight it]
[Huh, huh, donâ€™t matter, just donâ€™t fight it]
Ooh...
[Yeah, donâ€™t matter, just donâ€™t fight it]
Ooh...
[Huh, huh, donâ€™t matter, just donâ€™t fight it]
[Yeah, donâ€™t matter, just donâ€™t fight it]
[Huh, huh, donâ€™t matter, just donâ€™t fight it]

Baby, if you check me out, you can let me know
Iâ€™m not gonna fight it if my heart says so
If you wanna put it down, baby, you should know
I ainâ€™t gonna fight it no more, no more

If you check me out (Check me out), you can let me know

Iâ€™m not gonna fight it if my heart says so
If you wanna put it down, baby, you should know
Iâ€™m not gonna fight it no more, no, no

If you check me out (Wonâ€™t fight it, I ainâ€™t gonna fight it), you can let me know

Iâ€™m not gonna fight it (Wonâ€™t fight it, I ainâ€™t gonna fight it) if my heart says so
If you wanna put it down (Wonâ€™t fight it, I ainâ€™t gonna fight it), baby, you should know
Iâ€™m not gonna fight it no more (Wonâ€™t fight it, I ainâ€™t gonna fight it)

If you check me out, you can let me know

Iâ'm not gonna fight it if my heart says
