Don't wanna love you  
Don't wanna touch you  
Don't wanna kiss you  
Don't wanna miss you

Don't want your name or your number  
'Cause I don't wanna give you a call  
Don't wanna end up a lover  
Ooh, I don't wanna know you at all

Because you've already seen my finest qualities  
You mess up everything that you ever touch  
Because it won't be long before you do something  
wrong  
I won't stick around and be dogged, that's why I

Don't wanna love you  
Don't wanna want you  
Don't want you near my heart

Don't wanna kiss you  
Turn around and miss you  
Stop me baby, before I start

Don't wanna love you  
Don't wanna touch you  
Don't want you near my heart

Don't wanna kiss you  
Turn around and miss you  
Stop me baby, before I start

Don't wanna be like the others  
'Cause I don't wanna end up alone  
Won't let you walk on me feelings  
I see to you it doesn't matter that you can do me wrong

You know I heard everything 'bout your history  
Only a fool would fall in love with you now  
But boy, I just don't think that you'd be  
Be good for me and I won't stick around and be  
dogged

Don't wanna love you  
Don't wanna want you  
Don't want you near my heart

Don't wanna kiss you  
Turn around and miss you  
Stop me baby, before I start

Don't wanna love you  
Don't wanna touch you  
Don't want you near my heart

Don't wanna kiss you  
Don't wanna miss you  
Stop me baby, before I start

Don't wanna love you  
Don't wanna touch you  
Don't want you near my heart

Don't wanna kiss you  
Don't wanna miss you  
Don't want you near my heart

You know I heard everything 'bout your history  
Only a fool would fall in love with you now  
Oh boy, I just don't think that you'd be  
Be good for me and I won't stick around and be  
dogged, that's why I

Don't wanna love you  
Don't wanna want you  
Don't want you near my heart

Don't wanna kiss you  
Turn around and miss you  
Stop me baby, before I start

Don't wanna love you  
Don't want you near my heart  
Don't wanna kiss you  
Stop me baby, before I start

Don't wanna love you  
Don't wanna want you  
Don't want you near my heart

Don't wanna kiss you  
Turn around and miss you
