I know, I shouldn't walk out this way  
Sorry, but my feelings have changed  
I would only hurt you more if I stayed  
So I can't go on pretending that I  
Feel like I did yesterday So

I can't stay  
And keep living this lie  
I finally found the strength to say goodbye  
I'm on my way  
Nothing can change my mind  
I'm leaving behind what we had Yesterday

Know this  
It's not about somebody else  
It's not you  
I just need some time to myself  
Though it hurts me to see you go through this pain  
Still I can't go on believing that I  
Feel like I did yesterday So

I can't stay  
And keep living this lie  
I finally found the strength to say goodbye  
I'm on my way  
Nothing can change my mind  
I'm leaving behind what we had Yesterday

Throughout this time  
I've realized  
Been holding this in far too long  
Now I have to be strong Can't turn back  
I've been there for you and now I must do  
What I should have Yesterday

I can't stay  
And keep living this lie  
I finally found the strength to say goodbye  
I'm on my way  
Nothing can change my mind  
I'm leaving behind what we had Yesterday
