(Dana Meyers/Howard Hewett)

It's got to be real  
Girl, I could write a book on how you're makin' me feel  
I know I'll never find  
Another who could match the lovin' you've givin' to me

So this is for the lover in you  
This ring means I'll always be true  
This is how we'll start love anew  
This time it's gonna last forever

I trust you, yes, I do  
And girl, you're not the kind a guy could easily charm  
'Cause the meaning of love  
Is always shown to me when you are wrapped in my  
arms

So this is for the lover in you  
This ring means I'll always be true  
This is how we'll start love anew  
This time it's gonna last forever  
(I don't wanna, I don't wanna give you up)

This is for the lover in you (I love you , baby)  
This ring (Ooh)  
This is (For the lover in you, girl)  
This time it's gonna last forever

I could say I never met a girl, no, no  
Who satisfied my mental and my physical thing  
When I lay me down to sleep  
I'm rest assured with the thought that you are right next  
to me,  
my baby

This is for the lover in you (Take this ring)  
This ring (It means I'll always be true)  
This is (How we'll start love anew)  
This time it's gonna last forever  
This is for the lover in you (Take this ring)

This ring (Oh oh )  
This is (Sweet baby)  
This time we're gonna be together

Oh  
So much love between us  
I'll be the one to come runnin' {Be the one to come  
runnin'}  
Oh, home to you {Home to you}  
You give me sweet love  
With a woman like you, I don't need to play around  
Oh, you're more than just one woman  
You're blowin' my mind with the love that you're givin'  
That's what you hear me say  
Girl, every day

It's for the lover in you, baby  
With this ring I'll show you that there ain't no maybes  
It's for the lover in you, baby  
And it's this time we're gonna last forever

It's for the lover in you, baby  
With this ring I'll show you that there ain't no maybes  
It's for the lover in you, baby  
And it's this time we're gonna be together

It's for the lover in you, baby  
With this ring I'll show you that there ain't no maybes  
It's for the lover in you, baby  
And it's this time
