Did you see the sky, I think it means that we've been
lost

Maybe one less time is all we need

I can't really help it if my tongue's all tied in knots

Jumping off a bridge, it's just the farthest that I've ever
been

Anywhere you go, I'll follow you down

Anyplace, but those I know by heart

Anywhere you go, I'll follow you down

I'll follow you down, but not that far

I know we're headed somewhere, I can see how far
we've come

But still, I can't remember anything

Let's not do the wrong thing and I swear it might be fun

It's a long way down when all the knots we've tied have
come undone

Anywhere you go, I'll follow you down

Anyplace, but those I know by heart

Anywhere you go, I'll follow you down

I'll follow you down, but not that far

Whoooo!

How you gonna ever find your place

Runnin' in an artificial pace

Are they ever gonna find us lying face down in the
sand

So what the hell, we've already been forever damned

Anywhere you go, I'll follow you down

Anyplace, but those I know by heart

Anywhere you go, I'll follow you down

I'll follow you down, but not that far

Anywhere you go, I'll follow you down

Anyplace, but those I know by heart

Anywhere you go, I'll follow you down

I'll follow you down, but not that far (follow you down)

I'll follow you down, but not that far (follow you down)

I'll follow you down, but not that far (follow you down)

I'll follow you down, but not that far (follow you down)
