Well tell me do you think it'd be alright
If I could just crash here tonight
You can see I'm in no shape for driving
Anyway I've got no place to go
And you know it might not be that bad
You were the best I'd ever had
If I hadn't blown the whole thing years ago
I may not be alone
Tomorrow we can drive around this town
And let the cops chase us around
The past is gone but something might be found to take
it's place
Hey Jealousy
Hey Jealousy
Hey Jealousy
Hey Jealousy
You can trust me not to think
And not to sleep around
And if you don't expect too much from me
You might not be let down
Cause all I really want is to be with you

Feeling like I matter too

If I hadn't blown the whole thing years ago

I might be here with you

Tomarrow we can drive around this town

And let the cops chase us around

The past is gone but something might be found to take
it's place

Hey Jealousy

Tomarrow we can drive around this town

And let the cops chase us around

The past is gone but something might be found to take
it's place

Hey Jealousy

Hey Jealousy

Hey Jealousy

Hey Jealousy

Well tell me do you think it'd be alright

If I could just crash here tonight

You can see I'm in no shape for driving

And anyway I've got no place to go

And you know it might not be that bad

You were the best I'd ever had

If I hadn't blown the whole thing years ago

I may not be alone

Tomarrow we can drive around this town

And let the cops chase us around

The past is gone but something might be found to take

it's place

Hey Jealousy

Hey Jealousy

You know she took my heart

Well there's only one thing I couldn't start
