I didn't ask, they shouldn't have told me

At first, I'd laugh, but now

It's sinking in fast, whatever they've sold me

But, baby, I don't wanna take advice from fools

I'll just figure everything is cool

Until I hear it from you (hear it from you)

It gets hard when memory's faded

Who gets what they say

It's likely they're just jealous and jaded

Well, maybe, I don't wanna take advice from fools

I'll just figure everything is cool

Until I hear it from you (hear it from you)

Until I hear it from you (hear it from you)

I can't let it get me off

And break up my train of thought

As far as I know, nothing's wrong

Until I hear it from you

Still thinking about not living without it

Outside looking in

'Til we're talking about, not stepping around it

Well, maybe

I don't wanna take advice from fools

I'll just figure everything is cool

Until I hear it from you (hear it from you)

Until I hear it from you (hear it from you)

Until I hear it from you (hear it from you)

'Til I hear it from you, oh, no

'Til I hear it from you, oh, no

'Til I hear it from you (won't take advice from fools)

Whoooo (I'm thinkin' everything is cool)

'Til I hear it from you (won't take advice from fools)

Whoooo (I'm thinkin' everything is cool)

'Til I hear it from you
