Here we are again to celebrate, the goodness of Jesus
in this place

Lift up your voices and shout out loud
'Cause there's a praise and it's in the house

There's a praise in the, in the house
There's a praise in the, in the house
There's a praise in the, in the house
There's a praise in the, in the house

We haven't come tonight to entertain you
Just come to give the praise that He is due
So don't just sit there and speculate
Stand on your feet and celebrate

Chorus

There's a praise in the, in the house
There's a praise in the, in the house
There's a praise in the, in the house
There's a praise in the, in the house

Vamp

Let's praise Him, Let's praise Him
Let's praise Him, Let's praise Him
(Repeat)
