He wanna fly like Peter Pan  
Left alone with this... view from a bridge  
Final view of a hated world  
Eyes fixed on this... view from a bridge  
... gonna end it all

Everything is closed now, everything is clear  
He's gonna take the step now, you can watch him fall

View from a bridge  
Seconds to live  
Nothing to give

He wanna live for another day  
Wants the pain to just go away  
Last look at a fucked up world  
From up here in this... view from a bridge  
... he was someone I knew

Everything is closed now, everything is clear  
He's gonna take the step now, you can watch him fall

View from a bridge  
Seconds to live  
Nothing to give

View from a bridge  
Someone I knew  
Falling down  
Falling down

Sirens fall in  
They're too late for him  
He was someone  
That I knew

Say goodbye now  
Pennies on your eyes  
Rest forever  
Took his life  
Took his life

View from a bridge  
Someone I knew  
Falling down  
Falling down
