"God Shaped Hole"

Visit "[God Shaped Hole](#)" on MotoLyrics.com

Every point of view has another angle
And every angle has it's merit
But it all comes down to faith
That's the way I see it

You can say that love is not divine and
You can say that life is not eternal
"All we have is now"
But I don't believe it

There's a God-shaped hole in all of us
And the restless soul is searching
There's a God-shaped hole in all of us
It's a void only he can fill

Does the world seem gray with empty longing
Wearing every shade of cynical
And do you ever feel that
There is something missing?
