We're crossing this bridge for the second time  
We're burning flowers for tomorrow  
I'm casting out the nine  
I've got a prove to show you that you've crossed the  
line  
I'm resetting the numbers of my memory  
I'm moving the hands of the time  
Don't trust me, don't trust me  
This business is not a lawful thing

You're not the queen I thought you were  
I feel so doubtful, I feel so doubtful now  
The exception prove the rule  
I'm sure It's not a crime  
You're not the only one  
You're not the only one

We're crossing this bridge for the third time  
You're picking all that burnt flowers  
This news is flying around  
All over this town  
I'm resetting the numbers of my memory  
I'm moving the hands of the time  
Don't trust me, don't trust me  
This business is not a lawful thing

You're not the queen I thought you were  
I feel so doubtful, I feel so doubtful now  
The exception prove the rule  
I'm sure It's not a crime  
You're not the only one  
You're not the only one
