Give me time to search again
All the words I've lost today
Cause I'm fighting for a meaning
Since the day you walked away

The bed stays empty
While the whole world cries
Now I put away my weapons
I become the next in line

We stand half paralyzed
We've not chances to try
Everything we have to do is survive
We stand half paralyzed
We've not chances to try
Watching days, weeks, months
Years passing by

The problem is
I didn't say goodbye
And my memory is failing
While remembering your eyes

We stand half paralyzed
We've not chances to try
Everything we have to do is survive
We stand half paralyzed
We've not chances to try
Watching days, weeks, months
Years passing by

The bed stays empty
While the whole world cries
Now I put away my weapons
I become the next in line

We stand half paralyzed
We've not chances to try
Everything we have to do is survive
We stand half paralyzed
We've not chances to try

Watching days, weeks, months
Years passing by
