Chorus:

And can I get a bedroom ..  
just can't get enough girl I want more  
from when you feel between the seas tonight  
is more than I can ask for  
Can I get a bedroom on board  
just cant get enough girl I want more  
from when you feel between the season I  
is more than I can ask for

Mama I just wanna ride you  
and get it, get it up,  
get it, get it up  
think it to the room like bidi bidi boom  
like bye taste it fruta de bomba  
..como hice el gata  
dale muy..

wanna believe in you what else can love you  
wanna believe it's true when I hold on you  
let's me gluff and under the moon  
baby it's ridin with my head you rule

Chorus:

Can I get a bedroom ..  
just can't get enough girl I want more  
from when you feel between the seas tonight  
is more than I can ask for

Shawty let's go  
break it down slow slow  
riding like..until tomorrow

no one ever said goodbye  
even if you ask me why  
I keep trying now  
I'm finding how I'm gonna love you so

[Chorus:]

can I get a bedroom bedroom bedroom ..

[Chorus:]

wanna but I believe in you  
what else can do  
..let's make love right under the moon  
baby it's right..
