We don't give a damn,
We're just getting naked wasted
Bud light in our hands, oh we ain't gonna stop
Smash, gun!
Aha, we're crazy for this one Frenchy
Here we go!

I'm a dirty redneck, I was born to be
Hell I didn't choose the country, the country chose me
Drink in my hand and pistol in the other
People say damn, you sly motherf*cker
I get smashed, you get drunk
Growin' so hot, with the keg in the trunk
We're three beers deep, no swerve on yet
Got the banjo bumping, make a-

We don't give a damn,
We're just getting naked wasted
Bud light in our hands, oh we ain't gonna stop, stop
From the hollar to the stage,
We'll be getting naked wasted
Pass it 'round again, oh we ain't gonna stop
Getting naked wasted!

Jägerbombs and lemon drops,
Corona Lime beers and flipping cups
Going so hard, make them call the cops
And the ladies so gone, gonna drop the top
Ain't too hard for a country thug
Well pour me some shots and I'll show you some love
Round, round, scream and shout
Everybody's blacking out

We don't give a damn,
We're just getting naked wasted
Bud light in our hands, oh we ain't gonna stop, stop
From the hollar to the stage,
We'll be getting naked wasted
Pass it 'round again, oh we ain't gonna stop
Getting naked!

Dirty Redneck!
Dirty Redneck!

We don't give a damn,
We're just getting naked wasted
Bud light in our hands, oh we ain't gonna stop
Tell 'em fool!
From the hollar to the stage,
We'll be getting naked wasted
Pass it 'round again, oh we ain't gonna stop

We don't give a damn,
We're just getting naked wasted
Bud light in our hands, oh we ain't gonna stop, stop
From the hollar to the stage,
We'll be getting naked wasted
Pass it 'round again, oh we ain't gonna stop
Getting naked wasted!
