So many times that I have built someone up,
And it's me that comes crashing down (yeah)
Why should I SETTLE if it isn't enough,
I'm only giving me the run-around

Do I expect to much
Out of the game of LOVE
Am I the only one
Who still believes in fairy tales

~Begin chorus~

What is it gonna take
When will I get my break
I know it's worth the WAIT

Cuz I want MORE!

The kind of love that's bigger than the world we know
When you said FOREVER could never, ever get old
And every day is better than the one before
That's what I'm looking for

Cuz I want MORE!

~ End chorus~

Now I'll probably say that I've been fooled more than
once,
But I've only got myself to blame (yeah)
Some people sure know how to put up a front,
They could put the very best to SHAME
Do I expect too much
Raising to fall on up?
Am I the only ONE
Who wants to feel
Something real

(Back to chorus)

Cuz I want M-O-R-E!

Then just some IMITATION
The ends of changing, ?
For the words?
Guess I have to stay patient
I don't mind waiting,
I know what I'm loo...

Cuz I want MORE!

The kind of love that's BIGGER than the world we know
When you said forever could never, ever get old
And every day is BETTER than the one before
That's what I'm looking for...

Cuz I want MORE!
