You've never had it so good  
The favourite phrase of those who've always had it  
Better  
Burn it up!  
Realise the altogether

Bring it down  
Burn together  
The altogether's an insane thing, insane thing  
Bring it down  
All together  
The altogether's an insane thing, insane thing

You've never had it so good  
The favourite phrase of those who've always had it  
Better  
You never had so much is the cry  
Of those who've always had much more, much more  
than  
You & I

Burn brother burn  
Fight together  
This altogether's an insane thing, insane thing  
Bring it down  
All together  
The altogether's an insane thing, insane thing

Burn  
Insane thing, insane thing  
Insane thing, insane thing

Burn brother burn  
Let's burn Together  
Burn brother burn  
Burn, burn, burn  
This insane thing, insane thing  
Burn brother burn  
Burn sister burn

Spurn the lie

They use to justify  
This insanity!  
The inhumanity!  
Of this insane thing

Burn brother burn  
Burn, burn, burn  
Some's got it easy  
Bring it down  
The altogether  
Keeps getting better for the few  
Who've got it good to start with
