Let's get this situation sorted out!  
We're so polite  
It makes me want to shout  
We waive the everything we want  
An' take the nothing we already have  
An' I'm waiting on hold  
For something to blow ...

All is in reach & as clear as day  
Yet the smallest move  
Remains a mile away  
So we while away  
Going nowhere bit by bit  
An' it just seems  
We can't get round to gettin' round to it  
Sometimes it makes me ache ...

Someone once wrote  
All the world's a stage  
But the truth comes written somewhat different on my  
page  
I know this script's fixed from the start  
Cos ordinary men & women only get  
Supporting parts  
An' I'm waiting on hold  
For something to explode

We spend our lives  
Waitin' for  
Someone other than ourselves  
To make a move

We always do  
We do  
We always blow it  
I know  
You know  
I know you know it but ...

I keep on coming back because  
The power is yours
