Jackie - Redzone

I woke up with your name on my lips  
I woke up with your lips on my imagination

I woke up with your name on my lips  
I woke up with your lips on my imagination  
ooh wooh hoo

Did you wake up with my name on your lips  
or am I all alone in this infatuation?

uh huh

oh yeah

uh

oh

oh

Jackie when you're touching my soul in the candlelight

Jackie when I lost control in the heat of the night

Jack, Jack Jackie  
Can't get you off my mind

I woke up thinking it was you  
That I was the one that you'd always love  
Did the same thing happen to you  
If you don't feel what I feel,  
I don't know what I'd do

uh huh

oh yeah

uh

oh

oh

Jackie when you're touching my soul in the candlelight

Jackie when I lost control in the heat of the night

Jack, Jack Jackie  
Say you, Say you feel the same  
Can't get you off my mind

I didn't know love could feel this good  
I never let anyone inside  
I pushed and I shoved  
I felt out of luck  
but with Jackie I've got nothing to hide

uh huh

oh yeah

uh

oh

oh

Jackie when you're touching my soul in the candlelight

Jackie when I lost control in the heat of the night

Jack, Jack Jackie  
Say you, Say you feel the same

Can't get you off my mind
