...devil in the fire... so he can never defeat the... never
... provide me what... turn me up.

I'm introducing bubble... to my...
Lyrical sexual meditating kamasutra don't make sense
I'm getting stupid though
...'cause like taco bela in the...
These... in my leaves and my tongue...
They start leaving in the narrows just call me
Nigga you lie in the ass... shallow
But you're talking in a heavy way one and every...
I'm in the strip clubs making the... stop the haters...
... homies... with put the... nose and clear the villain
Glad to be on the... level
Get my jewels from the red...
I'm bad guy that's why I keep that's...
The... smocking drugs and return let em hang em
Nigga you gotta like this... my swag is so. and I'ma
keep

... to the tongues... your favorite young nigga cope with
but my
My... guarantee... all I'ma do is chasing paper
Till I'm done... these niggas... 11 seats... fat feet spoken
How about glowing... nigga never that... if your life is a
movie...
... can't never see... thunder... comin back...
Every time she... she run no these wags big... b boy
rapper nigga
G stack
