(Shannon Lawson/Del Gray)

I've got a feeling that I just can't escape
No matter how I try it won't go away
I guess it's something that I just can't change
Every beat still calls out your name

This old hearts gotta go
'Cause you're all it's ever known
Lonely and broken
Now that you're gone
It holds onto your memory
And it's time for me to move on
This old heart's gotta go

Me, my heart and her went out on the town
Just trying to have some fun but there was a crowd
It just compared her to you
There's only thing to do

This old hearts gotta go
'Cause you're all it's ever known
Lonely and broken
Now that you're gone
It holds onto your memory
And it's time for me to move on
This old heart's gotta go

How was I to know I would be betrayed
Never thought that my own heart would do me this way

This old hearts gotta go
'Cause you're all it's ever known
Lonely and broken
Now that you're gone
It holds onto your memory
And it's time for me to move on
This old heart's gotta go
This old heart's gotta go
This old heart's gotta go
