I will praise you, Lord my God

Even in my brokenness

I will praise you Lord

I will praise you, Lord my God

Even in my desperation

I will praise you Lord

And I can't understand

All that you allow

I just can't see the reason

but my life is in your hands

and through I cannot see you

I choose to trust you

Even when my hearts is torn

I will trust you Lord

Even when I feel deserted

I will trust you Lord

Even in the darkest valley

I will trust you Lord

and when it seems all hope is gone

yet I will praise you Lord

I will trust you Lord my God

Even in my loneliness
I will trust you Lord
And I will not forget
that you hung on a cross
Lord you bled and died for me
and if I have to suffer
I know that youâve been there
and I know that youâre here now
