Cute butt, Sexy eyes,
Tall and dark, I know what I like.
Heart o' Gold, Brain to match
Ain't gonna settle for less than that.

One hundred percent loving,
Baby, it's all or nothing
Half-A-Man ain't enough.

He's wrapped up in a suit,
Ripped up jeans and Cowboy boots
A great fight, a dance-a-thon
Who knows a good time,
When it comes along

One hundred percent loving,
Baby, it's all or nothing
Half-A-Man ain't enough
A girl needs a full-time love

I've been around, I'll you what
Half-A-Man ain't good enough

I know what I want,
A love is what I want.
Half-A-Man.... Ain't enough.
