I wonder about rights and deficiencies and secret ways
to express like diddle
Squalls so the ocean that roars and the sea and the
secrets and the tributes...
Can try to put some reality-even as hard as the
crashes.The first thing I ever
Knew was last year after I came from a seizure and two
days of unconscious
"s-h-i-t" supposed to bring me some comfort and "yay!
Hi... to Reisa... let me say a thankyou... But I kept it for
myself as the can I necessity of my needles...
I.e.I heard you knocking at my cellar door... I love you,
baby, can I have somemore? and the answer is, " think
about the following the next time you look
So absolutely outrageously to the a-s-s-h-o-l-e in these
purple people in our
Land of purpleberries.hey! don't get sick! not once!
and there is also a rumour
Going around says "Reisa gas done someone in!"
And I will write it again tomorrow on the plaque of my
Rock and Roll fanclub.
