You can't give me everything I need  
But I like the way you do it when you make my love  
bleed  
I start to quiver, get all warm inside  
Feel no shame, I feel no guilt, feel no need to hide

Sex type thing with you and me  
No love, no hate, somewhere in between  
Sex type thing all we'll ever be  
All you want is all I need so I'll tell 'em when they ask  
me  
It's a sex type thing, a sex type thing

Slit restrictions, violate with passion is all I need  
Nothing more I'm asking  
People always checking me, baby, what's going on?  
Taking care of my business, you can mind your own

You can use me all you want  
We're singing the same tune  
All you want from me, baby  
Is all I want from you

Sex type thing with you and me  
No love, no hate, somewhere in between  
Sex type thing all we'll ever be  
All you want is all I need so I'll tell 'em when they ask  
me  
It's a sex type thing, a sex type thing

I can be addict too  
I can use it just like you  
I can be addict too  
I can use it just like you

Sex type thing with you and me  
No love, no hate, somewhere in between  
Sex type thing all we'll ever be  
And all you want is all I need so I'll tell 'em when they  
ask me  
It's a sex type thing, a sex type thing
