Don't come inside, don't touch me, it's frightening
Don't go outside, you'll get struck at by lightning
You don't know what to do
What this is coming to
You're so confused but you know you're gonna have to:

Tuff it out
Oh, tuff it out
Oh oh oh, tuff it out
Ah, babe you gotta tuff it out

Them evil forces is on the attack, yeah
To get through this we've gotta hack, hack, hack, yeah
Watch who they're talking to
Watch how they're coming through
It's getting dark but you know you're gonna have to:

Tuff it out
Yeah yeah yeah, tuff it out
Oh oh, tuff it out
Oh, babe you gotta tuff it out

Yeah, yeah, yeah

The air is choking, getting harder to breathe, yeah
The way you touch me it's giving me fever
You need a seeing to
It hurts me more than you
I know it's hard but you're gonna, gonna have to:

Tuff it out
Oh, tuff it out
Ooh, tuff it out
Ah, babe you gotta tuff it out

Whoo! Yeah, yeah

Don't come inside and don't touch me it's frightening
Don't go outside, you'll get struck at by lightning
You don't know what to do
The judge is coming too

You're so confused but know you're gonna have to:

Tuff it out
Yeah yeah yeah, tuff it out
Oh, tuff it out
Oh, babe you gotta tuff it out

Oh yeah
Oh, oh yeah
Oh yeah
Oh yeah

The air is choking, harder to breathe, yeah
The way you're touching me it's giving me fever
You need a seeing to
It hurts me more than you
I know it's hard but girl you're gonna have to:

Tuff it out
Yeah, yeah, tuff it out
Oh oh oh, tuff it out
Yeah
Babe you gotta tuff it out
Babe you gotta tuff it out
Babe you gotta tuff it out
