Ok, so, who doesn't own a cell phone  
Who brought back their permission slip  
Because I know nobody wants to stay home  
While the rest of us go out and make a day of it

[Chorus]

Cause theme parks are so much more fun when the  
sun's outside  
And I lost my phone to the lake beneath the Batman  
ride  
They're starting something, and I don't want to begin it  
(I don't want to begin it)  
They're looking for trouble, but with me it won't be  
found  
(With me, won't be found)  
And I regret that I'm completely out of daytime minutes  
(I don't want to begin it)  
And, so, I guess I'll have to wait a lot til 8 o'clock comes  
around

Ok, so, who doesn't have a cell phone  
Well, I don't need to ask my friends  
Because, I know mine was fastened to my jawbone  
Thanks to all those nights and weekends

[Chorus]

When it comes to relationships (I'm the dumbest one)  
And I don't mean just with girls (I mean with everyone)  
Your illustrations always point out just what's wrong  
with me  
It's Chap Stick, and Chapped Lips, and things like  
Chemistry

It's Chap Stick, and Chapped Lips, and things like...  
It's Chap Stick, and Chapped Lips, and things like...  
It's Chap Stick, and Chapped Lips, and things like  
Chemistry

Can I relate to you the way you relate to me  
Can you help me out with my chemistry

I don't want to be perceived the way I am  
I just want to be perceived the way I am
