You'll go right  
I'll go left  
Sometimes we don't agree  
But that's ok  
'cause in the end  
We're still brothers  
You and me

We'll go to steak-and-shake  
Sometimes 'cause we hang out everynight  
And we do the same old thing  
Sometimes we fool around too much  
'cause we are a frisky bunch  
We get in trouble every day

Hey, hey, (hey) ho (ho)  
Straight through the heart  
Im there for you and  
I know you're there for me  
Give me a high five  
Hey, hey, ho, ho  
Friends till the end  
Cant you see that's the way  
Its gotta be

You're the money and the bomb  
But i talk about your mom  
Even though it isn't right  
Go to mikeys play some games  
Stay up till the break of day  
Maybe get into a fight

Hey, (hey) ho (ho)  
Straight through the heart  
Im there for you and  
I know you're there for me  
Give me a high five  
Hey, hey, ho, ho  
Friends till the end  
Cant you see that's the way  
Its gotta be

Even though we're hittin 20  
And we haven't yet matured  
Ya know i think it's kinda funny  
That we're all a bunch of nerds  
Go!

I love yall! i always have!

Even though we're hittin 20  
And we haven't yet matured  
Ya know i think it's kinda funny  
That we're all a bunch of nerds

Hey, (hey) ho (ho)  
Straight through the heart  
Im there for you and  
I know you're there for me  
Give me a high five  
Hey, hey, ho, ho  
Friends till the end  
Cant you see that's the way  
Its gotta be  
(x4)

Well can't you see  
That's the way it's gotta be  
Well can't you see  
God has destined us to..be
